Mr. Wisner:

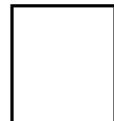

Mr. Kirkpatrick:

Noted he had received a memorandum from Col. Grogan recommending that in the interest of national defense, CIA employees not be allowed to accept outside employment. Mr. Kirkpatrick said he strongly recommended against this since

security regulations amply cover outside employment. The Director agreed but asked Mr. Kirkpatrick to consult Col. Edwards in order to determine whether these regulations are being abused, noting he was somewhat concerned over the fact that the spouses of some employees are working for newspapers. General Cabell suggested that in those cases where employees engage in outside employment, they receive from Security written ground rules covering such employment in addition to the briefing now given.

Mr. Sheldon:

Noted that we are continuing the over briefings for General Babcock, and he and Ambassador Lodge appear to be completely satisfied with this service.
